

The private social network for your neighborhood

There are social networks for many important parts of our lives

The New York Times

USA TODAY

Los Angeles Times

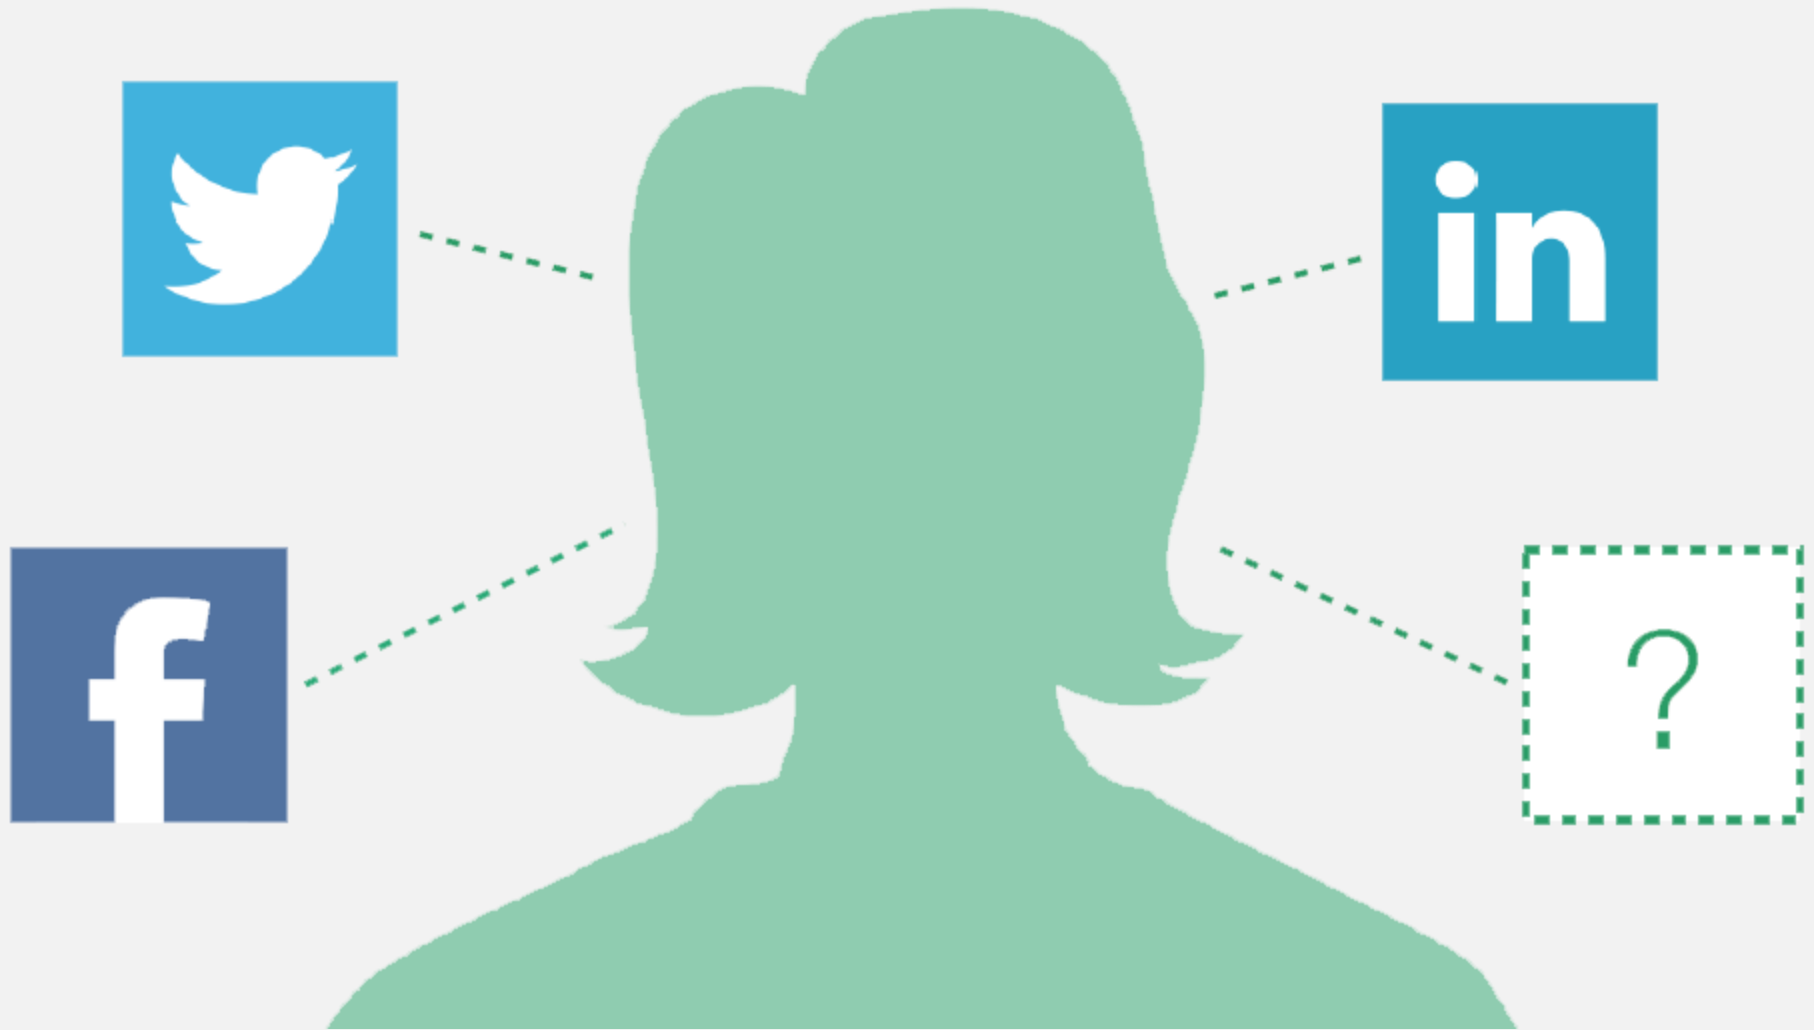

CNN

WALL STREET JOURNAL

parenting

WIRED

Yet there is no social network for that part of our lives closest to home -  
the neighborhood

The New York Times

USA TODAY

# Neighbors who know each other, look out for each other.

## 93%

say it's important for neighbors to look out for one another.

## Over 67% of homeowners feel safer when they know their neighbors.

## 35%

of people who know their neighbors reported that they've shared information with them about crime & safety.

## 79%

of people that use an online neighborhood forum talk with their neighbors in-person at least once a month.

# Introducing Nextdoor.com

When neighbors start talking, good things happen.

## Build a stronger neighborhood

Connect with your neighbors to stay informed and share useful local information.

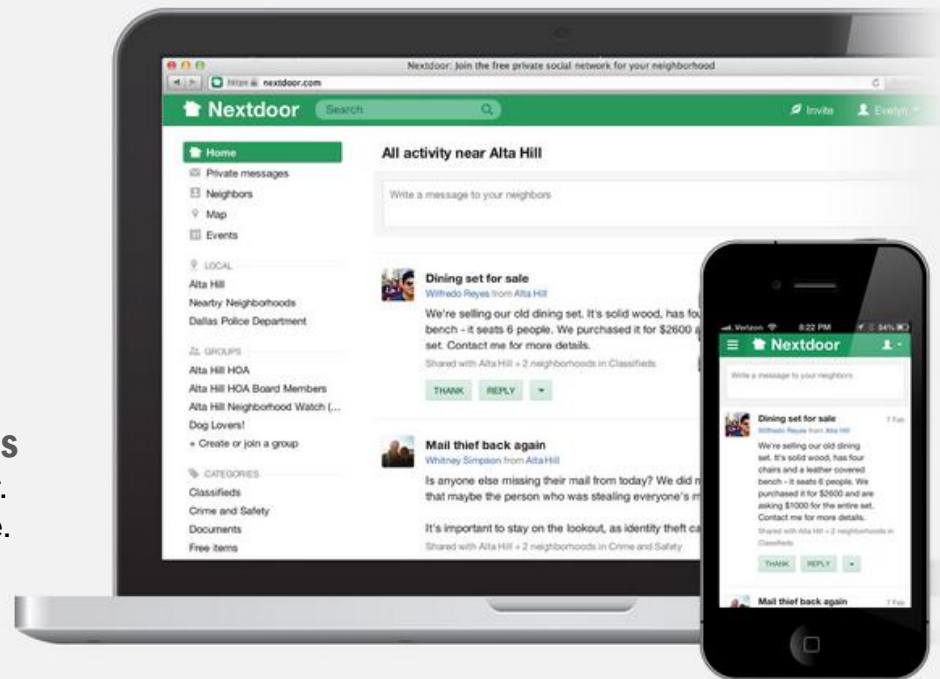

## Keep the neighborhood safe

Look out for each other and send updates to keep the neighborhood safe

## Share goods and recommendations

Find a great baby sitter or trustworthy plumber. Borrow a ladder or sell that old bookcase.

Jennifer James from Countryside

12h ago

We used Heavenly Sweets in Noblesville for our wedding cupcakes - they were delicious and I have not found any cupcakes that compare!! I'm sure their cakes are just as good!!

The map displays a neighborhood with various property boundaries. A red pin marks the location of 348 Wanatah Cir. A pop-up window titled "Residents of 348 Wanatah Cir:" provides contact information for the residents. The map includes a compass, a person icon, and a zoom slider. The Google logo is visible in the bottom left corner of the map area.

## CRIME AND SAFETY

### Neighborhood Watch

#### Function

We serve as the "eyes and ears" for local law enforcement agencies and as a contact for residents who may have concerns about neighborhood safety.

#### Peace of Mind

A community with an active Neighborhood Watch program can provide a little extra measure of security by communicating with one another.

#### Misconceptions

Not meant for spying on residents, reporting on homeowners' association violations or getting revenge on obnoxious neighbors.
